

The diagram shows a rectangular panel representing a liquid crystal display. It is filled with a grid of small, diamond-shaped symbols, each containing a cross-like pattern. These symbols are arranged in rows and columns. In the upper right corner, there is a dashed circle labeled 'B' containing several of these symbols. In the lower right corner, there is another dashed circle labeled 'A' containing several of these symbols. A horizontal line labeled 'A' runs across the middle of the panel. To the right of the panel, there are labels 'EL1' and 'EL2' pointing to different sections, and a label 'L' indicating a length or distance. Other labels include '10', '20', '16', and '15' pointing to various parts of the panel.
